

MOVE/5000

Payments on the go

Great looking and intuitive this portable terminal features powerful multimedia capabilities and a large 3.5 inch touchscreen, helping you serve customers quickly and efficiently.

With tri-comms capability, the MOVE/5000 enables customers to take payments wherever they are, easily switching between WiFi, Bluetooth and 3G connectivity.

Reliability

- Manually switch between connectivity options as needed
- Our GPRS SIM card supports all major networks and automatically connects to the network with the best range to ensure stability and high transaction processing speed. The GSM network can be also select manually

Comfortable and easy to use

The MOVE/5000 is user friendly for all to use, thanks to it's large, high-res 3.5 inch colour display and back-lit keyboard with large keys.

Efficient printing

With an integrated 20-line per-second thermal printer, receipts print instantly, paper doesn't jam, and the roll is easy to change.

Payment choice

- All major card types supported
- Ways to pay include contactless, Chip & PIN and mobile wallets such as Apple Pay, Samsung Pay and Google Pay™

Other key features

- Long battery life
- Bluetooth charging base provided
- Ongoing product enhancements and features being delivered by Elavon
- All of the benefits of semi-integration with existing POS systems via Elavon's Smartlink
- Add value by offering more with Elavon Gift Card, Dynamic Currency Conversion and Tax Free Shopping

Enhanced security

- State-of-the-art security features to protect customer card data and meet the highest security standards – PCI-PTS v5 certification
- End-to-end encryption available
- P2PE accredited solution, a part of Secured by Elavon's security products and services

We make it possible. You make it happen.
